AANA Journal

Volume 61
1993 Index of Titles, Subjects and Authors

A

AANA Annual Meeting Quickview, 215

AANA Journal Course: Update for nurse anesthetists: Part VI—Beyond the laryngoscope: Advanced techniques for difficult airway management, 64; Part I—Advances in ventilating the patient with severe lung disease, 170; Part II—Anesthetic techniques for patients with valvular heart disease presenting for noncardiac procedures, 314; Part III—Occupational exposure to trace anesthetics: Quantifying the risk, 405; Part IV—Cardiac pacemakers, 503; Part V—Essential hypertension, anesthesia, and the kidney, 597

AANA Journal Course No. 12: Answers : Update for nurse anesthetists, 432

AANA Journal Course 12: Examination Information: Update for nurse anesthetists, 198

AANA Journal Course 12: Examination: Update for nurse anesthetists, 199

AANA Latex Allergy Protocol, 223

AANA testifies before PPRC on federal healthcare reform: see Washington Scene, 549

Accreditation of regionalized and comprehensive nurse anesthesia programs, see Education News, 25

Adenosine treatment of supraventricular tachycardia following epidural test dose: A case study, 521

Adult caudal anesthesia: A reexamination of the technique, 153

Advanced techniques for difficult airway management: see *AANA Journal* Course—Part VI, 64

Advances in ventilating the patient with severe lung disease, see *AANA Journal* Course—Part I, 170

AIDS-infected healthcare worker: see Legal Briefs, 225

Aker, John: see Guest Editorial, 461

Anderson-Estill, Margaret: Epidural and intrathecal analgesia in a rural setting, 73; see Letters [response], 210

Anesthesia and Bartter's syndrome: A case report and review, 193

Anesthesia and Perioperative Complications: see Book Reviews, 108

Anesthesia Equipment: Principles and Applications: see Book Reviews, 478

Anesthesia for the homeless, 309

An anesthesia quality improvement program utilizing a computer database to effect change, 42

Anesthesia Quality Plus: The quantification of competence: see Guest Editorial, 36

Anesthesiology Problem-Oriented Patient Management: see Book Reviews, 610

Anesthetic considerations with anorexia nervosa, 165

Anesthetic management of a patient with moyamoya disease: A case report, 277

Anesthetic management of cerebral aneurysm clipping during pregnancy, 282

Anesthetic techniques for patients with valvular heart disease presenting for noncardiac procedures: see *AANA Journal* Course—Part II, 314

Anorexia nervosa, 165

Assessing the potential for awareness and learning under anesthesia; see Practice Issues, 571

Atkins, Craig S.: see Letters, 2; see Letters [response], 106; see Book Reviews, 337

Atracurium, 592

The attrition rate of students in master's level nurse anesthesia programs, 57

Awareness and learning under anesthesia, 571

B

Baptist Medical Center Montclair v Wilson: see Legal Briefs, 565

Bartter's syndrome, 193

Benedict, Susan: Anesthesia for the homeless, 309

Biddle, Chuck: see *AANA Journal* Course—Part I, 170

A biting commentary on monitored anesthesia care with conscious sedation: see Practice Issues, 229

Blumenreich, Gene A.: see Legal Briefs, 3, 118, 225, 344, 480, 565

Boehm, Judith: see Cardiopulmonary resuscitation standards: The 1992 Dartmouth experience in review, 463

Book Reviews, 16, 108, 337, 342, 478, 610

Breen, Desmond P.: Anesthesia and Bartter's syndrome: A case report and review, 193

Brimacombe, Joseph R.: Anesthesia and Bartter's syndrome: A case report and review, 193

Budget Reconciliation Law contains single anesthesia fee cuts: see Washington Scene, 493

C

Capnographic respiratory monitoring, 509

Captain of the Ship: see Legal Briefs, 3

Cardiac pacemakers: see *AANA Journal* Course—Part IV, 503

Cardiac surgery patients, 273

Cardiopulmonary resuscitation standards: The 1992 Dartmouth experience in review, 463

Cardiopulmonary resuscitation: Updates, outcomes, and the need for critical comparisons; see Guest Editorial, 461

Cardiovascular collapse associated with the use of methylmethacrylate, 613

Cardioverter-defibrillator, 388

Case Presentations in Anesthesia & Intensive Care: see Book Reviews, 108

A case report: The use of ketamine and midazolam intravenous sedation for a child undergoing radiotherapy, 99

Cerami, Ross: Anesthetic considerations with anorexia nervosa, 165

Cerebral aneurysm clipping during pregnancy, 282

Clinical Exchange, 347

Common Problems in Pediatric Anesthesia: see Book Reviews, 478

Comparison of four intraoperative warming devices, 394

A comparison of the onset time, duration of action, and fade characteristics of atracurium and vecuronium, 592

Competence: see Guest Editorial, 36

Computer database, 42

Conscious sedation: see Practice Issues, 229

Council for Public Interest in Anesthesia, official listing of members, 628

Council on Accreditation List of Programs to be Reviewed During Fiscal Year 1993, 48

Council on Accreditation List of Programs to be Reviewed During Fiscal Year 1994, 451

Council on Accreditation, official listing of members, recognized educational programs, 629

Council on Certification, official listing of members, 627

Council on Certification Professional Practice Analysis: see Guest Editorial, 241

Council on Recertification, official listing of members, 627

CRNA Medicare conversion factors: see Washington Scene, 7

Cwalina, Thomas F.: see Evaluation of a nasal/oral discriminate sampling system for capnographic respiratory monitoring, 509

9

D

DeMask, David: An anesthesia quality improvement program utilizing a computer database to effect change, 42

Derrick, Steven J.: see Evaluation of a nasal/oral discriminate sampling system for capnographic respiratory monitoring, 509

Dessables, Daniel R.: Anesthetic management of cerebral aneurysm clipping during pregnancy, 282

Development of a reliable nurse anesthesia clinical instructor evaluation instrument, 158

Dodge, Carter: see Book Reviews, 478

Dosch, Michael P.; see Book Reviews, 478

Drug Enforcement Administration Mid-level Practitioner Regulation: see Legal Briefs, 480

E

Education News, 25, 32, 218, 350, 497, 579

Efficiency in the operating room, 287

Embree, Patricia B.: Long-acting nondepolarizing neuromuscular blocking agents, 382

Epidural and intrathecal analgesia in a rural setting, 73

Essential hypertension, anesthesia, and the kidney: see *AANA Journal* course—Part V, 597

Establish the airway: Use percutaneous high-pressure transtracheal jet ventilation in an emergency: see Letters, 349

Evaluating efficiency in the operating room: see Letters, 454

Evaluation of a nasal/oral discriminate sampling system for capnographic respiratory monitoring, 509

F

Factors which predict performance on the National Certification Examination for Nurse Anesthetists: see Letters, 210

Fallacaro, Michael D.: see Practice Issues, 229

FDA announces MEDWATCH: A new reporting program for health professionals: see Washington Scene, 373

Fehder, William P.: Anesthesia for the homeless, 309

Fiberoptic intubation prevents a tracheostomy in a trauma patient: see Clinical Exchange, 347

Findings of the 1990 and 1992 Student Nurse Anesthetist Survey: see Education News, 350

Foley, Kevin: see *AANA Journal* Course—Part III, 405

Foundations of Respiratory Care: see Book Reviews, 342

Frels, Lois: see Education News, 32

G

Gallagher, John: see Book Reviews, 610

Gill, Terri E.: Anesthetic management of cerebral aneurysm clipping during pregnancy, 282

The grant proposal: see Education News, 32

Greenberg, Mark: see Cardiopulmonary resuscitation standards: The 1992 Dartmouth experience in review, 463

Guest Editorial: 36, 241, 461

H

Haag, George P.: Development of a reliable nurse anesthesia clinical instructor evaluation instrument, 158

Haas, Richard E.: see Letters, 210

Haines, Michelle: see A comparison of the onset time, duration of action, and fade characteristics of atracurium and vecuronium, 592

Harris, Lori G.: see Letters, 210

Hayes, Patty: see Washington Scene, 129

Healthcare reform: see Washington Scene, 549

Helton, Leon G.: see Practice Issues, 116

HCFA issues 1993 CRNA Medicare conversion factors: see Washington Scene, 7

Hitchens, John T.: see Practice Issues, 379

The homeless, 309

Hopkinson, Sue Ellen: see Washington Scene, 373; see Practice Issues, 458

Horton, Betty J.: see Education News, 25, 497

I

Index to Advertisers, 104, 208, 340, 452, 524, 644

Information for Authors, 103, 206, 336, 450, 468, 564

Intravenous sedation, 99

An introduction to the automatic implantable cardioverter-defibrillator and its anesthetic implications, 388

J

Johnson, Calvin: see Clinical Exchange, 347

Johnson, Linda: see Book Reviews, 337

K

Kang Shin Wook: see Evaluation of a nasal/oral discriminate sampling system for capnographic respiratory monitoring, 509

Ketamine, 99

Kidney, 597

Kirsner, Kenneth: see Book Reviews, 108

Kole, Terrie E.: see Practice Issues, 571

Kraus, Gary P.: see Guest Editorial, 36

Kremer, Michael J.: see Book Reviews, 108; Sedation by infusion: A clinical trial in cardiac surgery patients, 273

L

Latex gloves: Friend or foe?: see Practice Issues, 379

The law and the AIDS-infected healthcare worker: see Legal Briefs, 225

Legal Briefs, 3, 118, 225, 344, 480, 565

Letters: 2, 106, 210, 349, 454

Liang, Stanley: see Cardiopulmonary resuscitation standards: The 1992 Dartmouth experience in review, 463

Life-Threatening Problems in the Emergency Room: Problems in Anesthesia: see Book Reviews, 342

Likens, Mary L.: An introduction to the automatic implantable cardioverter-defibrillator and its anesthetic implications, 388

Long-acting nondepolarizing neuromuscular blocking agents, 382

M

Managed care: Its impact upon CRNA practice: see Practice Issues, 12

Mani, Shobha: Anesthetic management of cerebral aneurysm clipping during pregnancy, 282

Manual of Drug Interactions for Anesthesiology: see Book Reviews, 16

Marley, Wanda: see *AANA Journal* Course—Part V, 597

Mastropietro, Cathy: see Education News, 218, 579

Mathis, Mary Ellen: The attrition rate of students in master's level nurse anesthesia programs, 57

McCune, William J.: A case report: The use of ketamine and midazolam intravenous sedation for a child undergoing radiotherapy, 99

Medicare rural hospital pass-through for CRNA services: see Washington Scene, 216

Merson, Nancy: Adenosine treatment of supraventricular tachycardia following epidural test dose: A case study, 521

A method of evaluating efficiency in the operating room, 287

Methylmethacrylate, 613

Michels, Kathleen A.: see Washington Scene, 7, 129, 216, 493, 549

Midazolam, 99

Mid-level Practitioner Regulation: see Legal Briefs, 480

Milhaupt, Jeffrey L.: see Letters, 212

Mitton, Michael: Paroxysmal atrioventricular block in a healthy patient receiving spinal anesthesia: A case report, 605

Mivacurium: A replacement for succinylcholine, 210

Molchan, Christine: see Letters, 454

Monitored anesthesia care with conscious sedation: see Practice Issues, 229

Monitoring, 509

Moyamoya disease, 277

Murray, Tracy: see Education News, 350

Muus, Patrick K.: see AANA Journal Course—Part IV, 503

N

A nasal/oral discriminate sampling system for capnographic respiratory monitoring, 509

Neary, Jack: Epidural and intrathecal analgesia in a rural setting, 73; see Letters [response], 211

Neuromuscular blocking agents and the cardiac patient, 382

Nurse anesthesiology faculty: What is your commitment?: see Education News, 218

Nurse Education Act funding for nurse anesthesia programs: see Washington Scene, 129

O

Obar, Ray: see Cardiopulmonary resuscitation standards: The 1992 Dartmouth experience in review, 463

Occupational exposure to trace anesthetics: Quantifying the risk: see *AANA Journal* Course—Part III, 405

O'Connor, Timothy: see Book Reviews, 16

Ouellette, Richard G.: Comparison of four intraoperative warming devices, 394

Overview of federal agencies: see Practice Issues, 458

P

Pacemakers: see *AANA Journal* Course—Part IV, 503

Paroxysmal atrioventricular block in a healthy patient receiving spinal anesthesia: A case report, 605

Petty, Lisa A.: Anesthetic management of a patient with moyamoya disease, 277

Petty, William Clayton: see Letters, 349

Pharmacokinetics for Anesthesia: see Book Reviews, 337

Pinto, Peter: Cardiovascular collapse associated with the use of methylmethacrylate, 613

Practice Issues, 12, 113, 116, 229, 379, 458, 571

Principles and Practice of Nurse Anesthesia: see Book Reviews, 337

Professional Practice Analysis: see Guest Editorial, 241

R

Radiotherapy, 99

Research in Action abstracts presented at the 1993 AANA Annual Meeting in San Francisco, 421

Respiratory monitoring, 509

Resuscitation Handbook, see Book Reviews, 610

Rhodes, Torunn T.: see Cardiopulmonary resuscitation standards: The 1992 Dartmouth experience in review, 463

S

Sampling system for capnographic respiratory monitoring, 509

Schiff, Walter: see Letters, 210

Schoeps, Nancy B.: Development of a reliable nurse anesthesia clinical instructor evaluation instrument, 158

Sedation by infusion: A clinical trial in cardiac surgery patients, 273

Should student nurse anesthetists be required to administer regional anesthesia?: see Education News, 497

Sicilia, Michael R.: see *AANA Journal* Course—Part VI, 64

Simmons, William: see Evaluation of a nasal/oral discriminate sampling system for capnographic respiratory monitoring, 509
